

1990 CENSUS TRACT/BNA OUTLINE MAP (RECREATED)

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

1 A "++" following a place name indicates that the place is also a false MCD; the original name is now used.

2 In 1990, the census vessel population of ships at sea was allocated to census tracts with a "99" suffix. An anchor appeared on the 1990 map, indicating a census tract with a "99" suffix. This map shows the area symbolized as a census tract with the census tract number shown near the area.
